

# LLANFOIST FAWR AND LLANVIHANGEL PRIMARY SCHOOLS
# UNIFORM AND CODE OF DRESS POLICY

**School Uniform**
All pupils are requested to wear school uniform. The School Councils feel that our uniform is smart, gives children a sense of belonging and enhances school ethos. It also allows children to share a common identity and not be elevated above each other by fashion or money.

- Llanfoist Fawr colours are blue, black and grey.
- Llanvihangel Crucorney colours are red, black and grey.

Pupils may wear school jumpers or cardigans. We would ask parents not to have externally facing names on the uniform in the interests of safeguarding the child.

For their own safety children are required to wear sensible footwear at all times. This footwear should be all black and brightly coloured trainers are not permitted.

**PE Kit**
The School requests that PE kit should be worn to school on the classes' designated PE day. Trainers or daps should be worn for PE and for reasons of health and safety children will not be permitted to wear any type of jewellery whilst doing PE. Earrings must be removed or covered with plasters (provided by home) during PE.

- Llanfoist Fawr – white t-shirt, black shorts / tracksuit bottoms, school jumper, plimsolls/ trainers

- Llanvihangel Crucorney - red t-shirt, black shorts / tracksuit bottoms, school jumper, plimsolls/ trainers

**Hair**
Children are expected to adopt reasonable hair styles during the school day. Children will not adopt extreme styles. Dyed hair of any colour is not acceptable apart from non-uniform/ charity days where hair dye should be able to be washed out in one wash. In the interest of health and safety, long hair should be tied back. Hair clips, slides and bands should be unobtrusive and free of sharp edges; children should not have hair wraps. Children who wear accessories that are considered to be inappropriate will be asked to remove them. The school supports the Halo Code for our Global Majority children.

**Jewellery**
The Governing Body has given careful consideration to its policy on the wearing of jewellery. It is felt that the wearing of jewellery can present problems of both safety and of security. Children wearing items of jewellery during school activities may unwittingly cause injury to themselves or their fellow pupils. Items that are removed or swapped often become lost. Because of the boisterous nature of playtime games, other than an unobtrusive wristwatch and one pair of stud earrings children should not wear items of jewellery during the school day.

Children who wear jewellery to school which is deemed to be outside the guidance of this policy will be asked to remove the jewellery. Staff will not be expected to remove jewellery from pupils, nor will they be expected to take responsibility for the safe keeping of such items.

It is recommended that parents, who are considering having their child's ears pierced, should arrange to do so at the beginning of the summer holiday to allow the ear/s to heal.

**Other**
Finger nails should be kept to a reasonable length to avoid accidental scrams/ torn nails whilst the children are playing or doing PE. Finger nails should be free from nail varnish and false nails should not be attached due to H&S implications.

Makeup and face paint should not be worn during the school day unless agreed by teachers and parents for school performances or charity days.

Uniform may be purchased through the schools authorised supplier or other retail chains. Please contact the school office should you require any more information.

**Our Federation thanks you for your cooperation.**
